

Dry Grad Spring Fling a Huge Success!

In support of the 2017 Dry Grad, parents attended the first annual Spring Fling – Banquet and Dance held here at the school. Organized by Diane Noble and the parent committee, parents enjoyed a fun evening including a delicious dinner buffet provided by Chef Boyle, staff, and Seaquam’s culinary arts students, silent auction and late night dancing to the sounds of “My Friends Banned”. It was a great evening. A big thank you to:

Diane Noble and the organizing committee for all their time and effort
“My Friends Banned” for an amazing night of non-stop dance favorites
Chef Boyle and team for the fabulous banquet
