

Calling on Grade 12 Parents and Students to volunteer at our upcoming 4 in 1 fundraiser. We will be holding a bottle drive, clothing drive, selling flower baskets and a car wash to raise money towards the Dry Grad 2017 party.

The date is Saturday May 13th 2017 at the high school – from 9:30-2:30pm, this includes set up and clean up. Lunch will be provided.

If any parents can donate the use of their truck/time – to drive a few kids around the neighbourhood to knock on doors for empty bottles. We will not be leaving flyers at doors – it will just be a random drive through.

If you are interested in helping with the car wash please bring a bucket and a clean sponge.

We are also looking for 1 or 2 BBQ's with tanks – so we can do lunch for the kids. You will need to be able to drop off/pick up that day.

Please email us your name/your child's name/phone number to seaquamdrygrad2017@gmail.com if you can commit to a few hours of time – or can help with the loan of your BBQ.

Please do not hesitate to contact us if you have any questions!

Thank you.
Your Dry Grad Committee
